

The background features a complex, abstract network graph composed of numerous small, semi-transparent white dots connected by thin, light blue lines. This graph is set against a dark purple gradient background that transitions from a deep navy blue on the left to a bright magenta on the right. In the upper right quadrant, there is a large, bold, white sans-serif font text.

A screenshot of a desktop browser displaying the Slidesgo website. The layout is similar to the mobile version, with the header "Free Google Slides and PowerPoint templates to boost your presentations" and a navigation bar. The main content area is titled "Popular themes" and lists four categories: "BACK TO SCHOOL", "MEMPHIS MARKETING PLAN", "HELLO WORLD!", and "ORANGE MEMPHIS". Each category has a thumbnail image and a brief description. Below this, there are three more categories: "Back to School Social Media", "Memphis Marketing Plan", and "Orange Memphis", each with its own thumbnail and description.
